Penguin Families,

Last call!!! Current juniors who are interested in applying to be a senior instruction (SI) for next year need to submit an online application: [https://goo.gl/forms/1bs8U1u3dxNWWG1tW2](https://goo.gl/forms/1bs8U1u3dxNWWG1tW2)

This application is due on or before Sunday, January 21st at 11:59pm. Applications after that point may not be considered. Students MUST meet all requirements as per school policy. The policy is included in the application. By submitting an application, a student acknowledges that they understand the policy and requirements. After students apply, our office will screen applicants to ensure they meet all requirements. From there, teachers who have been approved to have an SI will go through applications and submit their requests to administration. If a student is selected by more than one teacher, the student will be allowed to pick which teacher they want to work with. Students will be informed of final placement and given an opportunity to accept or decline the placement.

On Monday, January 15th four UHS computer science students took part in a job shadowing activity with IBM Senior Engineer Theresa Brown. Seniors Lindsey Pesquiera, Elaina Ryan, Reilly Salkowski, and Cole Sohn spoke with developers and engineers, including three UHS graduates; sat in on a design meeting; and toured the IBM facility.

On Tuesday, January 23rd UHS FBLA will be holding a fundraiser at the Chipotle at Park Place. Stop by between 5:00 PM and 9:00 PM for dinner, tell the cashier you are there to support the UHS FBLA, and half of the proceeds will help UHS students compete in regional and state competitions and learn professional skills.

There is only a week and a half left to go before we wrap up January! Remember that the first two days of February will be schedule selection days for the 2018-2019 school year. It is important that students really think through their course selections.

To Make your tax credit donation online please see the following steps:

1. Visit https://az-tucson.intouchreceipting.com/ You can either sign in directly under your student’s account or you can just make a direct donation (see the red circle!) without logging in. Guests who do not have students at the school will find making a direct payment without an account easier.

2. When you get to the general payment page (without logging in) you will notice you can select the school who receives your donation. Because we share a Finance manager, UHS is listed with Rincon “Rincon University” (don’t worry though! UHS has their own accounts—please check carefully to ensure you click on the correct school account. Please consider applying your tax credit to “University Undesignated”. This is the general account that helps pay for field trips, competitions, band instruments and much much more! Under the memo you can apply the student’s name you want your tax donation applied to benefit (AP Exams, Sports fees, Travel Club, Band, Choir, etc... etc... etc... etc... etc... etc...)
